SENATOR STULL: Mr. President, members of the Legislature, I move the call be raised.

SENATOR CHAMBERS: Mr. President, members of the Legislature former President Tew is no longer in power in Viet Nam but the goal that he was trying to get out still is there. I think that a resolution like this could turn out to be a travesty. It is clear that it is not going to get anywhers close to unanimous consent from the legislature, and it would be an exercise in futility to pass it. I'm not going to take any more time debating it. The motion is to indefinitely postpone.

PRESIDENT: Senator Koch.
